- Fewer than 500 employees, under € 100 million in annual turnover and an interest in entering the African market

Morocco offers many opportunities for entrepreneurs. The country has a growing middle class, a well-educated workforce and access to markets in Africa, Europe and the Middle East. Morocco benefits from international agreements that facilitate trade and promote investment. With thorough preparation, effective market research and a clear business strategy, these opportunities can be exploited.

Contact InterGest Morocco for comprehensive advice on your way to Morocco.

InterGest Morocco is listed as an official consulting company of the Consulting Vouchers Africa programme.
